# RLG CANADA

## Streamlining Complex EPR Reporting

# RLG

**REVERSE LOGISTICS GROUP** 

# Reconomy Group -Where does RLG fit?

#### **Environmental Compliance**

Giving you the support and tools to comply with environmental legislation.

#### **Data Management**

Fulfilling data requirements and futureproofing your business with valuable insight and reporting.

| E |  |
|---|--|
| 8 |  |
|   |  |

#### **Deposit Returns**

Helping you implement or operate a successful deposit return system.

#### **Consultancy & Advice**

Working together to enhance your business with bespoke consultancy.

#### **Circular Take-Back**

Collecting, handling and driving solutions to put materials into the recycling loop.

## **Data Management - Transparency and Reporting**

- Reporting PTM data is an essential functional element. Data correctness avoids over reporting while ensuring compliance.
- Correct packaging data assurance is challenging.
- There is great opportunity to use data beyond compliance.
  - Proactive optimization of recyclability
  - Active management of ecomodulated fees
  - Constant CO2 footprint
    improvement
